Occupation

Exceedingly wealthy and with a very obvious flair for the high life, Catherine spends her days as a socialite of Novigrad.

Religious Beliefs

Catherine claims to follow the Eternal Fire as is the custom in Novigrad, but being not of this world herself, it is merely a cover to appear human.

Likes and Dislikes

One of Catherine's most notable likings, though she keeps it well hidden, is that despite being a Higher Vampire and not requiring blood to sustain herself, she loves nothing more than to gorge herself on it, her lust of it akin to a human's for alcohol or nectar.
